

A.22 Health and Safety

Colleges in the Holmes Education Group recognise our duties under current health and safety legislation and we will endeavour to meet the requirements of this legislation and maintain a safe and healthy working environment. Our managers and supervisors are informed of their responsibilities to ensure they all take reasonable precautions, to ensure the safety, health and welfare of those that are likely to be affected by the operation of the college.

HEG recognises its duty to make regular assessment of the hazards and risks created in the course of our business.
